

Jennifer Schultz

Program Principal, NCSL
Environment, Energy and
Transportation Program

BIOGRAPHY

Jennifer Schultz covers a wide range of policy areas, from the environment to military and veterans affairs. She manages several legislation databases, conducts extensive research, and produces detailed written reports and other resources for NCSL's constituents. She staffs the Task Force on Military and Veterans Affairs, as well as the Natural Resources and Infrastructure Standing Committee, and serves as NCSL's liaison to the Delaware General Assembly. Jennifer joined NCSL seven years ago after graduating from law school. She has held positions with the U.S. House of Representatives, Massachusetts General Court, U.S. Department of the Interior, and national wildlife organizations in Vermont and Alaska.
